About LMCP

L. M. College of Pharmacy is one of the premier Pharmacy institutes of India. The college was established in 1947 with a vision to impart quality pharmacy education. It is successfully run by Ahmedabad Education Society for more than 70 years.

The college is affiliated to Gujarat Technological University since 2008. The college offers D.Pharm, B.Pharm, Pharm.D., M.Pharm and Ph.D. courses which are approved by All India Council for Technical Education (AICTE) and Pharmacy Council of India (PCI). The College was awarded "A" grade by NAAC. The college has contributed immensely to the profession of Pharmacy in terms of research output too.

L. M. College of Pharmacy is the only pharmacy college in the country to get financial assistance from NITI AAYOG's ATAL INNOVATION MISSION to set up the 'ATAL INCUBATION CENTRE' (AIC-LMCP). LMCP is also the grantee Nodal Centre for Student Start-up and Innovation Policy (SSIP) of Government of Gujarat.

About the Seminar

Nuclear medicine is a specialized field of medicine concerned with the application of radiopharmaceuticals for diagnosis or therapeutic purposes. Over 40 million nuclear medicine procedures are performed each year, and the demand for radioisotopes is increasing at up to 5% annually. This field has made rapid progress since 1950. Nuclear medicine along with radiology encompass a variety of techniques involving radiation or radioactivity for the diagnosis and treatment of various diseases. About 50 radiopharmaceuticals are commonly used for administration. The development of more effective radiopharmaceuticals is being intensively investigated and is likely to make rapid strides in the coming decades. A number of clinical tests employ radioactive reagents; radioimmunoassay (RIA) being one such technique. The Seminar will provide insights into the various applications of radiopharmaceuticals through the erudite talks by experts from various parts of the country.

Confirmed speakers

Dr. B. R. Mittal

Professor and Head,
Department of Nuclear Medicine and PET,
Postgraduate Institute of Medical Education and Research, Chandigarh

Dr. Vineet Pant

Senior Consultant and Unit head,
Nuclear Medicine,
Fortis Memorial Research Institute,
Gurugram

Dr. Rasna Shukla

Associate Professor and Head,
Nuclear Medicine, GCRI, Ahmedabad
