- Received proposals will be evaluated and selected candidates will be notified for detailed presentation of the proposal.
- Winners will be announced after all the presentations and prizes will be distributed.

◆ 1st prize - 25000 INR

◆ 3rd prize - 5000 INR

◆ 2nd prize - 15000 INR

◆ 4th-10th prize - 1000 INR each

About L. M. College of Pharmacy

L. M. College of Pharmacy managed by Ahmedabad Education Society, is premier pharma -cy institute of India. The college was established in 1947 with a vision to impart quality pharmacy education. The college is affiliated to Gujarat Technological University since 2008. At present the college offers D. Pharm, B. Pharm, Pharm. D, M. Pharm and Ph. D. courses. The college is approved by All India Council for Technical Education (AICTE) and Pharmacy Council of India (PCI). The College was also awarded "A" grade by NAAC. It is our great pleasure to inform that L. M College of Pharmacy is identified as grantee nodal institution for a period of 3 years.

About SSIP

With the purpose of inspiring, training and supporting students in the field of innovation, Government of Gujarat has launched the Student Start-up and Innovation Policy (SSIP). The objectives of SSIP are to develop student centric innovation and pre incubation eco-system for the students, build internal capacity of the institution, creating pathway for mind to market projects/research/innovation/ideas of students, create facilities for supporting innovation and interface with public system initiatives at state and central level.

About AIC-LMCP Foundation (ALF)

AIC-LMCP Foundation (ALF) is one of the Atal Incubation Centres awarded by Niti Aayog, Govt. of India) hosted by L. M. College of Pharmacy. The main goal of this foundation is to provide a platform for the stakeholders i.e. students, early entrepreneurs, startups to convert their innovative ideas into successful business proposals and thus, fostering entrepreneurship in the field of pharmaceuticals and healthcare. It aims to be a catalyst in developing incubation and start-up ecosystem in Gujarat by offering incubation facilities, central instruments facility, mentoring, support for Intellectual Property generation and other necessary support.
