About L. M. College of Pharmacy

L. M. College of Pharmacy (LMCP) managed by Ahmedabad Education Society, is premier pharmacy institute of India. LMCP was established in 1947 with a vision to impart quality pharmacy education. The college is affiliated to Gujarat Technological University since 2008. At present the college offers D. Pharm, B. Pharm, Pharm. D, M. Pharm and PhD programs. The college is approved by All India Council for Technical Education (AICTE) and Pharmacy Council of India (PCI). The college has also been awarded "A" grade by NAAC.

About SSIP

With the purpose of inspiring, training and supporting students in the field of innovation, Government of Gujarat has launched the Student Start-up and Innovation Policy (SSIP). The objectives of SSIP are to develop student centric innovation and pre incubation eco-system for the students, build internal capacity of the institution, creating pathway for mind to market projects/research/innovation/ideas of students, create facilities for supporting innovation and interface with public system initiatives at state and central level. It is our great pleasure to inform that L. M. College of Pharmacy is identified as grantee nodal institution for a period of 5 years by SSIP, Education Department, Government of Gujarat.

About AIC-LMCP Foundation (ALF)

AIC-LMCP Foundation (ALF) is one of the Atal Incubation Centre's awarded by Niti Aayog, Govt. of India) hosted by L. M. College of Pharmacy. The main goal of this foundation is to provide a platform for the stakeholders i.e. students, early entrepreneurs, startups to convert their innovative ideas into successful business proposals and thus, fostering entrepreneurship in the field of pharmaceuticals and healthcare. It aims to be a catalyst in developing incubation and start-up ecosystem in Gujarat by offering incubation facilities, central instruments facility, mentoring, support for Intellectual Property generation and other necessary support.

About IIC

Ministry of Human Resource Development (MHRD), Govt. of India has established MHRD's Innovation Cell (MIC) to systematically foster the culture of innovation amongst all Higher Education Institutions (HEIs). MIC has envisioned encouraging creation of Institution's Innovation Council (IICs) across selected HEIs. A network of these IICs will be established to promote innovation in the institution through multitudinous modes leading to an innovation promotion eco-system in the campuses. To create a vibrant local innovation ecosystem. Start-up supporting mechanism in HEIs. Prepare institute for Atal ranking of institutions on innovation achievements framework. Establish function ecosystem for scouting ideas and pre-incubation of ideas. Develop better cognitive ability for technology students.
