Preamble

Examination is a part to evaluate the knowledge, understanding and learning of students. For teachers, Examinations provide feedback to evolve their way of teaching. The Examination Manual is a 'Manual of Conduct of Term End Examinations' with a spirit of 'Continuity with change'.

For making the process simple and convenient it is necessary that each member of institute should know the examination procedures in detail including students, teaching and non-teaching staff of the institute. The students have all rights to know the procedures of examination. This Examination Manual will enable all the stake holders to obtain information as to the provisions contained in various rules and regulations governing the examination of L. M. College of Pharmacy (An Autonomous Institution under UGC Regulations 2023).

- Admin officer/Numbering and Stationary supervisor shall prepare a list of examination stationary atleast 6 months before conduction of examination in coordination with Controller of Examinations.
- Admin officer/Numbering and Stationary supervisor shall ensure supply and availability of examination stationary during the conduct of examination.

4.2 Guidelines for Block preparation in Term End Theory Examination

- Controller of Examinations will prepare block arrangement and block list for Term End Theory Examination.
- Total 30 students/examinees will be considered for preparation of 1 block.
- If in particular block there are less than 30 students of same course code than students of other course code/codes shall be been merged in that block. Packing for all course code(s) shall be done separately in such cases.
- Junior supervisor and Senior supervisor will pack both sections of the course in different packet. Thus, for each course 2 packets of answer-sheets will be submitted to examination department.

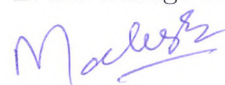

4.3 CCTV Surveillance System

- College will preserve the copy of CCTV footage in a CD / DVD for each session of term end theory examinations.
- Each CD/DVD shall have all details of examinations mentioned on the CD/DVD cover i.e. Date of Examination, Name of Programs, Name of Course(s) and Course codes(s) along with signature of senior supervisor(s).
- These records shall be preserved for 2 years after completion of term end theory examination.

4.4 Guidelines for Block Supervisor

- Report to control room 45 minutes before the start time of exam.
- Collect exam related material from the control room viz Answer Book, Supplementary, Student Barcode, Form-1, Brown Sticker, Thread, etc..
- Instruct all students not to indulge in unfair means else liable to be punished as per regulations of L. M. College of Pharmacy.
- Instruct student that any type of printed material / hand written material, mobile phone, pager, or programmable calculator are not to keep during exam time.
- Distribute 2 answer books (one for each section) to students 30 minutes before the exam time.
- Distribute Question Paper as per time given in time table.
- Check hall tickets of the students, and sign hall ticket with respect to date and subject of exam.
- Verify the detail entered by the students in answer book and then sign in marked place.
- Instruct students to paste barcode in marked place in such a way that bar-coded portion will be on right hand side.
- In form-1 take the sign of students against their seat number.
- If any Student is absent then paste the student barcode on backside of the form-1.
- On demand give supplementary to students and enter answer book number in form-1 and sign in supplementary at the marked place.

-
- If any UFM case is register then call Sr. Supervisor and handover the answer book/ all proof and submit your statement. If UFM case is registered by observer, squad member, sr. supervisor or controller of examinations, then get their statement also and it is to be submitted to control room after completion of exam.
 - Brown Stickers is to be given 10 minutes before the completion of exam to student.
 - While receiving answer book from the student verify that brown sticker is pasted or not by the student. If not then paste the brown sticker (on main answer sheet as well as additional answer sheets).
 - Please count answer book and verify that it is equal to the number of students present in the classroom.
 - Submit the answer book in control room to concern senior supervisor.
 - Always take care that students do not leave exam hall without submitting answer book. If it happens then it will be the sole responsibility of the supervisor and the UFM case is to be registered as well as FIR is to be file against the student/examinee.
 - It is the responsibility of the block supervisor to submit all answer books of presenters along with absentees to control room immediately after completion of the subject exam.

4.5 Guidelines for Sr. Supervisor

4.5.1 Pre-Exam Preparation

- Issue the exam duty orders for supervisors/ relievers / Peons /under guidance of Controller of examinations.
- Ensure furniture, other requirements of all the blocks and numbering on benches.
- Assure proper working of Computer / Printers / Copier machines / UPS at control room.
- Assure the availability of copier papers/Cartridges for copiers.
- Assure the examination material received from store department as per required quantity (Answer-book / supplementary / drawing sheets / Question paper CD's / Block Arrangement / Hall Tickets / Form -1 and Students barcode).
- If any discrepancies/deficiency found during verification report to Controller of Examinations immediately.

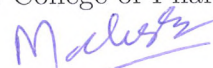

4.5.2 During Examination

- Report to Controller of Examinations 1 hour before the start of Examination.
- Collect question paper and get the printout and verify that all question papers are available as per scheduled examination.
- Prepare required number of copies of each Question Papers and distribute to each block supervisors at least 5 minutes before start time.
- Visit frequently the block assigned to you and provide necessary guidance to block supervisor for smooth conduction of examination.
- If any UFM case is registered, Collect all relevant proof, Statement of Supervisor and students and fill up the information accurately in UFM Case format .Hand over the case to Controller of Examinations for verification.
- On Completion of exam, collect and count the number of answer book from supervisor and verify the supervisor reports.
- Seal the answer books in sealed covers (block wise and section wise) in envelope in presence of the observer.
- Maintain the answer book / Supplementary usage register and counter sign the total usage of answer book during session
- For any Query / Assistance contact Controller of Examinations.
- Distribute the required numbers of question papers and numbers of answer books as per block arrangement to each block supervisor.

4.6 Role of Controller of Examinations

4.6.1 During pre-exam process

- Coordinate all the programs in filing up the exam form through HOD's of various departments.
- Display circular regarding filling exam form on notice board of the college. As per due date of submission of exam form and its fee inform student section to complete the process.
- Inform newly admitted student to fill up enrolment form as per the circular of university within the time-limit.

4.6.2 During post exam process

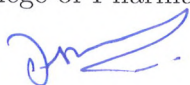

- Ensure that rechecking / reassessment forms are filled by disciplines well in time as per deadline mentioned by the Examination Department of L. M. College of Pharmacy.

Evaluation System

The evaluation pattern will consist of a component of internal evaluation as well as term end examination conducted by the L. M. College of Pharmacy (An Autonomous Institution under UGC Regulations 2023).

- Following table gives information of external and internal weightage of the examination pattern of autonomous setup of L. M. College of Pharmacy (as per UGC regulations 2023).

Program	Weightage of Term End Examination	Weightage of Internal Exam
D. Pharm.	80*	20*
B. Pharm.	75*	25*
M. Pharm. (All specializations)	75*	25*
Pharm. D. & Pharm. D.(PB)	70*	30*

* Changes in weightage in external/internal may differ for few courses (e.g. elective subjects, practice school, project work, journal club, ITD/MTD/FTD) as mentioned in the teaching scheme and directed by Academic council – L M College of Pharmacy and PCI.

- After adding the internal marks (maximum 20/25/30) with the marks secured by the examinee in the Term End Examination (maximum 80/75/70), the marks will be converted to a letter grade as per the following:

1. 85 – 100 marks – AA grade
2. 75 – 84 marks – AB grade
3. 65 – 74 marks – BB grade
4. 55 – 64 marks – BC grade
5. 45 – 54 marks – CC grade
6. 40 – 44 marks – CD grade

7. Less than 40 – FF grade

- Course(s) having total weightage other than 100 marks, equivalent weightage out of 100 marks shall be taken into consideration for designating grade of concerned course(s).
 - e.g. Marks obtained by a examinee in a course Remedial biology (Original weightage - 50 marks) shall be converted to equivalent marks from 100 marks and then grading shall be considered.
- For M. Pharm., Pharm.D. and Pharm.D. (PB) programs, an examinee having 50-54 marks shall be graded as CC and less than 50 shall be graded as FF.
- Students failing in the examinations may take Remedial Term End Examinations. At any point of time a student can have maximum 4 pending backlogs/FF grades. All the students having backlog(s) more than 4 excluding immediate previous semester backlog are not eligible for continuing the study till he/she fulfills eligibility criteria.
- Each letter grade (AA to FF) will have a corresponding grade point assigned as follows:

Letter grade	Grade point
AA	10
AB	9
BB	8
BC	7
CC	6
CD	5
DD	4
FF	0

If a student is absent, FF grade shall be shown as FF#.

- The performance of a student during a semester is indicated in the grade card by a “Semester Performance Index” or SPI, which is calculated as follows:

If C(i) is the credit of a course i and the grade point secured by the student is G(i) in that course, the SPI is given by the formula:

$$\frac{\sum_{i=1}^n C_i G_i}{\sum_{i=1}^n C_i} \quad (5.1)$$

where, the sum is over all the 'n' courses taken during an academic term.

- As per the formula 5.1, the cumulative performance of the student is indicated by a Cumulative Performance Index (CPI) which is calculated essentially by the same formula but for the sum being over all the courses taken in the current

an academic term as well as in the preceding an academic terms. However, in calculating the SPI and CPI, any fail grade which the student might have earned but has subsequently passed will be replaced by the passing grade in that course. The SPI of the corresponding semester will, however, continue to reflect such failures and will not be recalculated.

- Class and Distinction etc. will be awarded for the degree on the basis of cumulative performance index.

- Declaration of Final Year/Semester Result:

For students, who appear both at the Final year/semester examination as well as at their backlog courses of the previous semesters, their Final year/semester's result shall be kept under suspension by L. M. College of Pharmacy till he/she clears backlogs of previous semesters.

- Internal evaluation and its effect on result:

The course coordinators shall submit marks of internal examination of those students who have cleared the backlogs while doing the marks entry in ERP at the end of every semester/whenever declared by examination committee so that the result for such students may be updated along with L. M. College of Pharmacy result. Marks submitted after declaration of the Term End Examination result shall be considered for updation in the next academic term's result only.

- Formula for conversion of equivalent percentage of CPI:

An equation to find equivalency between CPI/CGPA may be obtained as follows:

$$\text{Percentage Marks} = (\text{CPI/CGPA} \times 0.5) \times 10$$

- CPI/CGPA Equivalent Class shall be as follows:

- Below 5.5: Pass class
- 5.5 & above: Second class
- 6.5 & above: First class
- 7.1 & above: First class with distinction

- Award of Degree:

For all programs, where the duration of the program is more than 2 years, the degree shall be awarded to the students on the basis of CGPA (Cumulative Grade Point Average) of the last four semester's performance in the exams.

In case of the programs where duration is of two years, the degree shall be conferred to students based upon CPI (Cumulative Performance Index) considering the performance throughout the program.

- The rules of the award of degree as and when amended by Gujarat Technological University shall be applicable to autonomous setup of L. M. College of Pharmacy (as per UGC regulations 2023).

6

Passing Criteria

Every theory and practical component is divided into two parts i.e. Internal & External. Internal exam for theory and practical shall be conducted by framework for internal examination as approved by the Academic council.

6.1 Minimum marks for passing the examination

6.1.1 D.Pharm. and B.Pharm.

A student shall not be declared to have passed in D.Pharm. and B.Pharm. in any academic term unless he/she secures at least 40% marks in each of the course separately in theory examination, including Internal marks and at least 40% marks in each of the practical examination including internal marks. Less than 40% marks in any course (Theory or Practical) is failure and that has to be cleared in remedial examination.

6.1.2 M.Pharm., Pharm.D. and Pharm.D.(PB)

A student shall not be declared to have passed in M.Pharm., Pharm.D and Pharm.D (PB) in any semester unless he/she secures at least 50% marks in each of the course separately in theory examination, including Internal marks and at least 50% marks in each of the practical examination including internal marks. Less than 50% marks in any course (Theory or Practical) is failure and that has to be cleared in remedial examination.

- Student shall not continue his/her further study, if he/she is having more than four backlogs irrespective of theory or practical failure only after the declaration of remedial exam result. All the students having backlog(s) more than 4 excluding immediate previous academic term (semester/year) backlog are not eligible for continuation of study till he/she fulfills eligibility criteria.
- Above rules shall be implemented with effect from academic year 2024-25 – Winter 2024 examinations for all the students admitted/transferred in autonomous setup of L. M. College of Pharmacy (as per UGC regulations 2023).

7

Gracing Norms

The following regulations shall be implemented in the order in which they are mentioned:

- **Part - I**

Where a candidate fails in any Term End Theory Examination, his failure in that theory head of passing shall be condoned as follows:

Where the Maximum External Theory Marks Consist of	Maximum Grace Marks to be given for passing of course in one or more
Up to 100 Marks	3
More than 100 Marks	5

- **Part - II**

Part II shall be applicable when a student appears at the External Theory Examination of any program and he/she is unable to clear all the courses of respective academic term even after applying the above Part-I. This shall be applicable with following conditions:

- While applying Part-II, it shall be applicable alone and not with Part-I. It means that student may get the gracing benefit of either Part-I or Part-II.
- Even after applying Part-I, if student is unable to clear the academic term only with one course, than only Part-II shall be applicable in that one course only.
- The Part-II will be applied only if, after applying this, the student will be able to fully pass the semester while appearing in either regular or remedial exam. It means that the student should have appeared in all the courses of respective semester either in regular or remedial exam, where gracing Rule Part-II is to be applicable.

Under Part-II, the failure in any one course of the External Theory Examination head of passing shall be condoned as follows:

CPI	Maximum Grace Marks to be given for passing of course	
	Student appearing in all course(s) in the concerned semester. (Student has not cleared any of the courses of the concerned semester before appearing in the concerned examination)	Student not appearing in all course(s) in the concerned semester/year. (Student has already cleared some of the course(s) of the concerned semester/year before appearing in the concerned examination)
9 or above	10	6
8 or above & below 9	9	6
7 or above & below 8	8	5
6 or above & below 7	7	5
5 or above & below 6	6	4
4 or above & below 5	5	4

The maximum grace marks as per the above table will be considered as per the CPI secured by the candidate in the last result declared for previous season examination (Summer/Winter) conducted by the L. M. College of Pharmacy (An Autonomous Institution under UGC Regulations 2023).
